Non-renewal: Residents will be non-renewed due to lease violations and late rent payments. Termination Notices: Residents will be served termination notices due to breach of lease and/or non-payment of rent.

Wait List Procedure:

Management will maintain a waiting list for all apartments in the property. The waiting list will be kept in chronological order, on an electronical form, according to apartment size. Current residents desiring to transfer to another apartment in accordance with the Apartment Transfer Policy may be placed on the open waiting list in the same manner as all other applicants except those with an eligible preference, see below. - Residents requesting a reasonable accommodation, or
- Resident protected under VAWA, or
- Residents' households needing to accommodate a family size increase/decrease.

Procedure for Prioritizing Applicants needing accessible apartments

In accordance with 24 CFR 8.27 titled Occupancy of Accessible dwelling apartments: Management will adopt suitable means to assure that information regarding availability of accessible apartments reach eligible individuals with a disability and shall take reasonable nondiscrimination steps to maximize the utilization of such apartments by eligible individuals whose disability requires the accessibility features of the particular aparlments. To this end, when accessible apartment becomes vacant, Management before offering such apartments to a non-disable applicant shall offer such apartment:

- First, to a current occupant of another unit of the same project, or comparable projects under common control, having handicaps requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then
- Second, to an eligible qualified applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit.

Additionally, when offering such accessible apartment to an applicant not having a disability requiring the accessibility features of the apartment, Management may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible apartment when available.

Procedure for being placed on the waitlist

New Applicant/Current residents can ONLY be added to the waitlist when waitlist is open unless for a preference as listed above. An applicant/resident desiring to be placed on an open waiting list will be asked to provide certain information, which allows a tentative determination (subject to confirmation) of the applicant's eligibility.

The following information will need to be provided:

- Date the applicant's information was received
- Name of the Head of Household
- Family size and Household characteristics
