APPLICANT QUALIFYING CRITERIA

Freeman Webb Company does business in accordance with the Federal Fair Housing Law. We do not discriminate in the rental of housing based on race, color, religion, sex, national origin, familial status, or handicap. In order to ensure consistency the following criteria shall be used in qualifying each applicant applying to live at a Freeman Webb Company community.

Renter's insurance is required by Freeman Webb Company as part of our rental qualifications procedure. If my application is approved, I agree to provide Freeman Webb Company with a copy of my renter's insurance policy upon move-in. I agree to maintain a renter's insurance policy during my entire residency at a Freeman Webb Company community.

Any additional qualifying criteria for any particular property will be provided upon request.

Criminal Background Screening:

A criminal background search is performed on each person applying to live at a Freeman Webb-managed community. It is our policy not to accept prospective residents who have been convicted of certain felonies or serious misdemeanors which would indicate that they pose a threat to the apartment community. An independent consumer reporting agency processes criminal background searches using a sophisticated multi-state criminal search and decision system that objectively categorizes criminal records based on offense type and disposition. Decisions are returned automatically based on predetermined criteria. Each rejection is then individually screened to be sure the record reflects an actual conviction and warrants a rejection based upon an individualized assessment of the entire record. The factors which will be considered are: a) the seriousness of the crime; b) the recency of the crime; c) the number of convictions on the record; and, d) the person's history since conviction. The application of anyone with a pending charge will be held until there is a final determination. Some examples of crimes which may warrant a rejection include, but are not limited to, sexual offenses, homicide, kidnapping, any crimes of violence against a person, arson, and crimes involving the selling or manufacturing of drugs. An automatic denial will occur should an applicant appear on the list of known terrorists and wanted fugitives as provided by the Office of Foreign Asset Control (OFAC) or other federal, state, or local agency. A clean record for five (5) years or more may result in eligibility to lease except in the case of the more serious felonies, depending on the other factors above.

If your application is rejected based on the discovery of public records that indicate an unacceptable criminal background, you will be given the name, address, and telephone number of the consumer reporting agency that provided the criminal background report An applicant who is rejected based on such a criminal background report may obtain a copy of the report and may initiate an investigation
