Did You Know?

- ⇒ The full moon in June, also known as the Strawberry Full Moon, has its own name because of the plentiful fruit harvest that occurs during this time of year.
- ⇒ A beetle named after the month of June exists. The June beetle, sometimes known as the June bug, is a type of insect that lives in the United States only between May and June and eats a variety of plants and bushes.
- ⇒ Every year, millions of viewers tune in to watch Wimbledon, the most prestigious tennis tournament in the sport. The oldest Grand Slam competition is Wimbledon. It was established in 1877, and the US Open followed in 1881.

Infused water offers several benefits, including hydration, reduced sugar intake, and a boost of vitamins and antioxidants from the infused ingredients. It can also help with weight management by curbing appetite and substituting sugary drinks.

MOVIE FRIDAYS

Come join us for popcorn and candy in the clubhouse!

June 6th at 2:30pm **Awakenings 1990 2hrs**

The story of a doctor's extraordinary work in the Sixties with a group of catatonic patients he finds languishing in a Bronx hospital. Speculating that their rigidity may be akin to an extreme form of Parkinsonism, he seeks permission from his skeptical superiors to treat them with L-dopa, a drug that was used to treat Parkinson's disease at the time.

June 13th at 2:30pm **Nonnas 2hrs 10mins**

After losing his beloved mother, a man risks everything to honor her by opening an Italian restaurant with actual Nonnas -- grandmothers, as the chefs.

June 20th at 2:30pm **La La Land 2016 2hrs 8min**

Sebastian (Ryan Gosling) and Mia (Emma Stone) are drawn together by their common desire to do what they love. But as success mounts they are faced with decisions that begin to fray the fragile fabric of their love affair, and the dreams they worked so hard to maintain in each other threaten to rip them apart.
