OUR COMPANY

Since our inception in 1995, United Apartment Group (UAG) has experienced remarkable growth, expanding our managed units by more than twenty-five-fold. Today, our portfolio's value stands at 3 billion AUM, a testament to our unwavering dedication to excellence.

We take pride in the fact that over 98,000 residents have chosen to make their homes in our communities, reflecting the trust and satisfaction they have in our services. This significant growth and the consistent renewal of management contracts are not merely coincidental but are the result of our adept executive leadership and the positive relationships our team maintains with residents.

At UAG, we understand the importance of safeguarding your investments. We treat your assets with the same level of diligence and care as we would our own, ensuring that industry standards are not just met but exceeded. Our commitment to excellence has not only earned us industry accolades but has also led to consistent property value appreciation, reliable cash flows, and efficient capital management.

We believe that by establishing a strong foundation of excellence, we not only demonstrate our commitment but also set a standard of quality and security for our investors

OUR COMMITMENT

NATIONAL CREDIT SYSTEMS

DEBT RECOVERY

National Credit Systems plays a crucial role as a specialized collection firm dedicated to assisting in recovering funds rightfully owed to our clients. They focus primarily on helping recoup outstanding balances from former residents who have not fulfilled their lease obligations.

With a specialization in the multifamily housing industry since 1991, National Credit Systems is well-equipped to handle this unique area of collections. Their processes are seamlessly integrated into our operations, as former residents' balances are automatically provided to them 30-day after the resident moved out.

TRAINING AND DEVELOPMENT

Our Training Department is dedicated to helping our teams succeed. This dynamic team covers training and support to ensure they have the tools and knowledge needed to excel.

Policy and Procedure Training

- Comprehensive guidance on UAG's policies and procedures, ensuring everyone is well-versed in our company's standards and practices.

Systems Training

- In-depth training on various system platforms, including Real Page, Human Resources, and the Box.

Mentor Program

- Provide new employees with personalized, one-on-one training from the moment they are hired. This program pairs each new hire with an experienced mentor who will guide and support them through their initial stages of employment.

Help Desk Support

- Our dedicated and knowledgeable Product Support Specialists are available to assist our teams whenever they encounter issues with system platforms or require assistance with any of our processes.

MARKETING

UAG Branding

Maintain consistent logo usage across all platforms by providing a centralized folder with the correct logo versions. Regularly update email signatures and ensure a brand guide is available to all teams to uphold brand integrity.

New Business Analysis

Conduct thorough financial reviews and prepare detailed new business analyses with financial projections. Utilize Costar reports to analyze property data and complete price structures for takeovers and renovations.

Online Presence and Advertising

Set up and optimize all social media accounts, including Facebook, Instagram, and Google Business Profiles. Use tools like Canva for content creation and Meta Business Suite for scheduling posts. Implement and monitor PPC campaigns and update listings as needed.

Client Relationship and Support

Maintain effective communication with clients, providing support for listing issues and changes. Establish and monitor client relationship management (CRM) systems, and ensure all users have access to necessary tools and resources. Provide training and troubleshooting assistance as required.

COMPLIANCE

The Compliance Department at UAG is dedicated to maintaining the highest standards of regulatory adherence for our clients. Our in-house team continuously reviews and monitors state and local guidelines to ensure that our communities remain in full compliance with the ever-evolving landscape of regulations. Beyond keeping up with these changes, we actively assist our communities in preparing for upcoming inspections, whether through site visits or thorough file audits. Our commitment is to provide proactive and comprehensive support, ensuring that all UAG properties meet and exceed the required compliance standards.

TRANSITIONS

The Transitions Team plays a pivotal role in facilitating smooth transitions during new business acquisitions or separations.

With a strong focus on developing comprehensive transition plans, our team creates tailored application or infrastructure support models designed to meet the specific needs of each project.

By carefully planning each corporate transition, we help ease the process for all involved, providing clear steps, identifying potential risks, and preparing for any unexpected discoveries along the way. Our goal is to ensure that every transition is managed with precision and efficiency, minimizing disruption and maximizing success.

We truly appreciate the opportunity to share our vision and values with you. We look forward to a successful partnership and are excited about the possibilities that lie ahead.

Together, we can achieve great things.

THANK YOU!
