Screening Fee Disclosure

Landlord will require payment of a fee, which is to be used to screen Applicant. The total amount of the fee is specified on the Receipt and Itemization for Tenant Screening Fees.

As required by California Civil Code Section 1950.6, Landlord's screening process complies with the policy indicated below:

First Qualified, First Approved. Landlord's written screening criteria are provided together with this Application. Completed applications are considered in the order received, and the first applicant who meets Landlord's screening criteria will be made an offer to rent. Applicants are not charged a screening fee unless or until their application is actually considered. In the event Landlord inadvertently charges screening fees to multiple applicants as the result of concurrent submissions, Landlord will refund the screening fee within 7 days to any applicant whose application is not considered, except as otherwise agreed by applicant. Landlord is not required to refund a screening fee to an applicant whose application is denied, after consideration, because the applicant does not meet the landlord's established, written screening criteria.
